

The California State University (CSU) Student Success Framework aims to improve opportunity outcome gaps, strengthen career readiness and advance social mobility for all CSU students. Led by the following guiding principles:

- ▶ **STUDENT-CENTRIC:** Center decisions, strategies and actions around the needs, experiences and aspirations of students.
- ▶ **EQUITY-DRIVEN:** Approach all aspects of the Framework through an equity lens.
- ▶ **DATA-INFORMED:** Use data to inform recommendations and measure outcomes.
- ▶ **COLLABORATIVE:** Fully engage the CSU and statewide stakeholders.
- ▶ **TRANSPARENT:** Foster trust and accountability by consistently communicating in an open manner.

## THE NEW CSU STUDENT EXPERIENCE

The CSU Student Success Framework is working to ensure the *CSU Promise, that every student will graduate with the opportunity for a first career job and/or a clear path to further study.*

### COST OF ATTENDANCE

Every student in California will be able to afford the total cost of a CSU degree.

### ADVISING PATHWAYS

Every student will have clear curricular and co-curricular pathways to their academic and career goals.

### TEACHING AND LEARNING

Every student will experience an inclusive, accessible and intentional teaching and learning environment.

### STREAMLINED EXPERIENCE

Every student will have a digitally-enhanced, personalized, and streamlined experience to support timely degree completion.

### SKILLS AND NETWORKS

Every student will gain real-world skills and build professional networks through internships and experiential learning.

## FROM FRAMEWORK TO PRACTICE

### Embedding Student Success Across Cal Poly

- ALIGN** programs, initiatives and resources to the framework.
- ACTIVATE** the framework through policy, practice, operations and student experience.
- ASSESS** programs, initiatives and resources to measure student success outcomes.
- AMPLIFY** key messages. Integrate student success into everyday practice.
