Outcomes: Short Term
- Determine next steps as a result of examining the short- and long-term recommendations shared from the three Strategy Groups' charges, including:
  1) Develop strategies and actions that will improve campus climate
  2) Infuse diversity, inclusion, and social justice into the curriculum
  3) Recruit and retain underserved and underrepresented students

Outcomes: Medium Term
- Cal Poly Inclusive Excellence Council will review and provide feedback on the recommendations from the strategy groups during Fall 2018
- OUDI will monitor and assess progress to determine next steps

Outcomes: Long Term
- Long-term recommendations from the three strategy groups will ultimately lead to:
  1) Elimination of the achievement gap between traditionally underrepresented students and others
  2) Creation of a campus curriculum and campus policies that are driven by Cal Poly’s diversity and inclusion values
  3) Representation of California demographics among students, staff and faculty
