

Possible Reasons for Lack of Academic Success

On a scale of 1-10, 1 being "Not True" and 10 being "True", rate the following items;

Courses have too much work

Material is too difficult

I'm in the wrong major

Lack of effort/motivation

Failure to assume responsibility to do what needs to get done

Involved in too many activities

Too much partying

Personal problems (family, friends, money)

Other reasons: _____
