**EE Transfer Students can take two additional units of technical elective or approved support electives to count for EE 111/115.**

This Student Flowchart assumes equivalents for the courses below have been transferred to Cal Poly. Nothing transferred in needs to be added to this flowchart, which may result in an additional quarter/s. Check your DPR to verify credit:

**Notes:**

**Most General Education Courses can be taken in any order as long as Prerequisites are met**

* Refer to current catalog for prerequisites.

**Refer to online catalog for GE course selection. United StatesChristian Pluralism (USCP) and Graduation Writing Requirement (GWR).***

USCP requirement can be satisfied by some (but not all) courses within GE categories: C1, Upper-Division C, D1, D2, D Elective, or E. Some EE courses will need to be embedded in by permission number only. Make sure to read all the section notes in schedule builder each quarter to identify these courses.

* Course can be taken previously or concurrently.

** Or can take IME 156

* MATH 409, ENGR 401 and ENGR 401 (5) may substitute for the series EE 401, EE 402, and EE 462 (5) or the series EE 401, EE 463, and EE 404 (6).

* See catalog for course options. Consultation with advisor is recommended prior to selecting technical electives or approved electives. Bear in mind your selections may impact pursuit of post-baccalaureate studies and/or goals. No course credits may be used simultaneously to satisfy both engineering support and technical-elective requirements.
