Please note: this flowchart is one example of how students can graduate in 3 years. Some transfer students need longer than this.

We encourage students to use this as a tool in creating their own unique quarter by quarter graduation plan.

** SE Transfer Students with articulated community college coursework equivalent to CPE 203 or additional transfer college CSC coursework, have credit applied to the CPE 123 requirement. CSC Transfer students that do not have articulated community college coursework equivalent to CPE 203 or additional transfer college CSC coursework, will take an additional 4 units of Technical Electives in a future quarter.

This Transfer Student Flowchart assumes equivalents for the courses below have been transferred to Cal Poly. Anything not transferred in needs to be added to this flowchart, which may result in an additional quarter/s. Check your DPR to verify credit:

** Notes:

- ** Refer to current catalog for prerequisites.
- Refer to online catalog for GE course selection, United States Cultural Pluralism (USCP) and Graduation Writing Requirement (GWR).
- USCP requirement can be satisfied by some (but not all) courses within GE categories: C1, Upper-Division C, D1, D2, D Elective, or E.
- ** Refer to current catalog for course selection.
- Consultation with advisor is recommended prior to selecting approved electives; bear in mind your selections may impact pursuit of post-baccalaureate studies and/or goals. A total of 20 technical elective units selected from upper-division and graduate CSC and CPE courses open to those in the major and not otherwise required by the major. An additional 4 units of CPE/CSC technical electives may substitute for CSC 123 in major requirements.
