Suggested 2-Year Academic Flowchart for Transfer Students Admitted Fall 2023 on the 2020-2021 Catalog

Please note: This flowchart is one example of how students can graduate in 2 years. Many times transfer students need longer than this. We encourage students to use this as a tool in creating their own unique quarter by quarter graduation plan.

This Transfer Student Flowchart assumes equivalents for the courses below have been transferred to Cal Poly. Anything not transferred in needs to be added to this flowchart, which may result in an additional quarter(s). Check your DPR to verify credit.

#### Notes:
- ^*Transfer students take ME 228, 263, & 264 in lieu of ME 128, 129, 130 and 163
- CE 208 (5) may be taken in place of CE 204 (3) and CE 207 (2) to expedite the series
- IIME 143 should be taken in lieu of IIME 145 and IIME 146 for transfer students
