# Suggested 3-Year Academic Flowchart for Transfer Students

Please note: This flowchart is one example of how students can graduate in 3 years. We encourage students to use this as a tool in creating their own unique quarter by quarter graduation plan.

**Notes:**

- **MOST GENERAL EDUCATION COURSES CAN BE TAKEN IN ANY ORDER AS LONG AS PREREQUISITES ARE MET**
  - * Refer to current catalog for prerequisites.
  - ** Refer to online catalog for GE course selection, United States Cultural Pluralism (USCP) and Graduation Writing Requirement (GWR).
  - USCP requirement can be satisfied by some (but not all) courses within GE categories: C1, Upper-Division C, D1, D Elective and E.
  - †Course can be taken previously or concurrently.
  - ‡Consultation with advisor is recommended prior to selecting approved electives; bear in mind your selections may impact pursuit of postbaccalaureate studies and/or goals.
  - °If you have equivalent credit for CE 204 but not CE 207, then take CE 207. If you need both, you can take CE 208 (5). This course combines CE 204 (3) & 207 (2) to expedite series.

**^Semester transition starts Fall 2026.**

**Support and guidance will be provided during the transition to ensure you graduate as planned.**
