Please note: This flowchart is one example of how students can graduate in 3 years. We encourage students to this use as a tool in creating their own unique quarter by quarter graduation plan.

<p>This Transfer Student Flowchart assumes equivalents for the courses below have been transferred to Cal Poly. Anything not transferred, needs to be added to this flowchart, which may result in an additional quarter/s. Check your DPR to verify credit:</p> <p> <input type="checkbox"/> MATH 141 <input type="checkbox"/> GE Area A1 <input type="checkbox"/> MATH 142 <input type="checkbox"/> GE Area A2 <input type="checkbox"/> MATH 143 <input type="checkbox"/> GE Area A3 <input type="checkbox"/> MATH 241 <input type="checkbox"/> GE Area C1 Arts <input type="checkbox"/> MATH 244 <input type="checkbox"/> GE Area C2 Humanities <input type="checkbox"/> PHYS 141 <input type="checkbox"/> GE Area C Lower-Division Elective <input type="checkbox"/> PHYS 142 <input type="checkbox"/> GE Area D1 American Institutions <input type="checkbox"/> PHYS 143 <input type="checkbox"/> GE Area D Elective <input type="checkbox"/> CHEM 124 <input type="checkbox"/> GE Area E Lower-Division <input type="checkbox"/> EE 201 <input type="checkbox"/> GE Area F Ethnic Studies <input type="checkbox"/> EE 251 <input type="checkbox"/> MATE 210 <input type="checkbox"/> ME 211 <input type="checkbox"/> ME 212 <input type="checkbox"/> GE Area B2 Life Science </p>	YEAR 1			YEAR 2			YEAR 3

Notes:

MOST GENERAL EDUCATION COURSES CAN BE TAKEN IN ANY ORDER AS LONG AS PREREQUISITES ARE MET

*Refer to current catalog for prerequisites.

**Refer to online catalog for GE course selection, United States Cultural Pluralism (USCP) and Graduation Writing Requirement (GWR).

USCP requirement can be satisfied by some (but not all) courses within GE categories: C1, Upper-Division C, D1, D Elective and E.

†Course can be taken previously or concurrently.

¹Consultation with advisor is recommended prior to selecting approved electives; bear in mind your selections may impact pursuit of postbaccalaureate studies and/or goals.

² If you have equivalent credit for CE 204, but not CE 207, then take CE 207. If you need both, you can take CE 208 (5). This course combines CE 204 (3) & CE 207 (2) to expedite the series.
