➢ Employers around the world recognize the designation of HKN and understand that IEEE-HKN members are of the best candidates and are well rounded, articulate, and community minded.

➢ Network with the top students at every major University.

➢ Access to key University decision makers for references, research, and for Graduate School and beyond.

➢ Share a tradition with nearly 200,000 HKN inductees worldwide, this network will help you in your education, career, and professional development.
- ➢ Recognition program that distinguishes you from other students, and acknowledge your academic achievements.

- ➢ Provides leadership opportunities for your professional development, such as conferences, service on committees and the Board of Governors, service to your University, Department and fellow students.

- ➢ The BRIDGE is the official publication, IEEE-HKN students are invited to submit papers for publication.

- ➢ Awards such as the Outstanding Student, Outstanding Chapter, Outstanding Young Professional, Technical Professional, and Eminent Member.

➤ The Annual IEEE-HKN Student Leadership Conference is open to all IEEE-HKN student members. The networking, distinguished speakers, and chapter development activities are extremely valuable.

To celebrate the founding of Eta Kappa Nu each year on 28 October, HKN Chapters worldwide do a variety of events to both promote their local chapters and to raise awareness of the founding principals:

ATTITUDE SCHOLARSHIP CHARACTER

IEEE

- ➢ **Scholarship**: The top 25/20% students in their junior and senior year of their first academic degree.

- ➢ **Character:** An individual must be of exceptional character demonstrating such character to their peers.

- ➢ **Attitude:** An individual must have the proper attitude to work hard, continually challenging himself/herself, willing to help others, and to use their talents and superior skills in service to their University, Department and peers.

Candidates must meet the criteria established and invited to join by their Chapter:

➢ **Undergraduate students** – those pursuing their first academic degree in their second through fourth year.

➢ **Graduate Students** – are inducted based on faculty recommendation.

➢ **Faculty Members** – are encouraged to join to support the work of the Chapter

➢ **Professional Members** – those who have done meritorious work in one of the areas of the IEEE-designated technical fields

➢ Identifies and invites candidates to join their chapter as IEEE-HKN members

➢ Organize scholarly activities such as technical talks, industry visits, distinguished lecturers

➢ Chapters enjoy a close relationship with faculty and often invite faculty for lunch or special sessions

➢ Chapters assist their peers through tutoring, exam preparation, peer mentoring, technical competitions, community outreach to pre-University students, and to the community at large

› Chapters provide service to the student body

Some Examples:

Tutoring	Programs	Outreach	Social
Homework help/tutoring sessions	Tech Talks For all students	STEM outreach	Food Drives Movie Nights Contests
Exam Prep, Course Guides	Industry Visits, career programs	Community projects (robotics)	Lunch/Dinner with Professors
Grad School, Research help, Lab sessions	Leadership programs, ceremonies,	Pre-University Engineering Projects	Pre-exam party to relieve stress
