

RPTA Meeting

Meeting called by: Bill Hendricks **Type of meeting:** Dept. Meeting

Date: November 29, 2011

Faculty Attendees: Goldenberg, B. Greenwood, J. Greenwood, Hendricks, Jacobs, Moyer, Root

Agenda Items

1. Preparation for Friday's (12/2) Curriculum Meeting – Cynthia will be unable to attend the meeting.

The curriculum packet is due to the College committee March 1st

Brian and Jerusha will review the catalog's department description and submit any revision to Cynthia

Cynthia will pass around a hardcopy of the catalog's course descriptions

All information is due to Cynthia by January 15th

2. Update - There is a possibility that Kirk Sturm will be unavailable for teaching starting winter quarter. If so – RPTA 342 and RPTA 350 will be impacted
Would Bob Lewis be available for teaching?
-

3. Auction/Dinner update – the possible location: Windfall Farms in Creston
The present concern with the venue is the distance from SLO
Original proposal was three events: Friday eve alumni event/Saturday morning 5K run/Saturday eve Auction/Dinner
The decision was to eliminate the 5K run and possibly plan activities at Windfall Farms Saturday late afternoon, followed by the auction/dinner
Suggestion: the alumni event could be an informal event on Friday eve with the focus remaining on the Saturday activities
Kendi indicated that the Friday alumni event is not formally affiliated with the RPTA 35th anniversary celebration and benefit on Saturday
-

4. CalSPRE – Jerusha recapped the conference.
RPTA class is continuing to work on possible venues for next year's conference
-

5. CPRS Call for abstracts – Bill distributed a handout
-

6. Ironman – Bill gave brief update
Plans are moving forward quickly – proposals are due December 31st
Competing bids are Lake Tahoe and Bend, OR
-

Misc. Items

Stemming from the Auction/Dinner discussion – Suggestion: a separate 5K event

The event would be an annual 5K fundraiser held each spring

Possible name for the event “Spring Forward Run” to coincide w/ setting clocks forward

This event would be coordinated by the RPTA 260 class.
