

RPTA Meeting

Meeting called by:	Bill Hendricks	Type of meeting:	Dept. Meeting - Assessment
---------------------------	----------------	-------------------------	----------------------------

Date:	4/5/11
--------------	--------

Faculty Attendees: Goldenberg, B. Greenwood, J. Greenwood, Hendricks, Jacobs, Moyer, Root

Discussion

General Discussion:

- Adjustments were made to IDM Matrix
- To be determined: What is to be assessed this quarter/year?
- RPTA may want to redevelop goals to align w/ ULO, DLO, and new SLO (Sustainability Learning Outcomes)
- RPTA full-time faculty need to aid part-time lecturers in developing assessment plans

BARS (Behaviorally Anchored Rating System):

- RPTA needs direct and indirect measures
- An assessment tool can address a portion of the standard instead of the whole standard
- RPTA 210 needs a direct assessment instead of an indirect self-assessment
- For triangulation – use charts and graphs – supply Jerusha w/ the raw data in table form

Future Action:

- Jerusha will email a sample of what needs to be completed for each class – for Thursday 4/7/11, based on emailed sample, each faculty member should have prepared information for each class they teach (*email attached to meeting notes)
-

*(Email sent from Jerusha Greenwood to RPTA faculty 4/5/11)

Hello everyone!

Here's what I need to make sure we collect the correct data for the report Bill needs to write for the meeting in November, and for the annual assessment report that is due this Spring to Mary Pedersen. Right now, I just need the information below. If you don't have time to send me specific assignments/tests/rubrics, that's fine - the priority is finalizing the table so I can move forward with collecting data. For right now, I just want data you've collected or are going to collect this academic year. We'll talk about future plans on Thursday.

Please follow this format - this is Bill's example

7.03.01

RPTA 405 Hurd Competency self-assessment (indirect) - twice annually

RPTA 405 Human resource exercise/quiz (direct) - twice annually

7.03.02

RPTA 405 Decision making process case study imbedded in final exam (direct) (fall 2010 and winter 2011);

RPTA 405 midterm and final imbedded questions (every other year)

I'm also attaching an electronic version of the 7.0 standards with BARS rating system.
