

R&D Food Scientist **Fresno, CA**

Overview of Position

Lyons Magnus is an international food and beverage manufacturer headquartered in Fresno, California. This position is an entry level position in the Lyons Magnus R&D team, planning and executing projects that support the company's innovation process, manufacturing, and product maintenance initiatives.

Required Qualifications

- Strong passion for science and creative problem solving.
- Effective written and verbal technical communication with internal customers
- Demonstrated ability to work independently with supervision
- Proficient in basic computer programs including Microsoft Office programs.

Description of Responsibilities

- Propose and formulate innovative products, processes, and technologies to ensure Lyons continued growth
- Conduct experimentation using a designed approach to validate formulations and processes at the bench and pilot scale before entering production.
- Identify and test new tools, technologies, processes, or ingredients to improve products or manufacturing capabilities.
- Engage with Manufacturing, Engineering, and Quality to ensure that all product formulations, processes, and specifications meet defined standards.
- Document and draw conclusions/next steps from experimental results or production trials.
- Organize and complete shelf life studies of owned projects and formulations
- Further knowledge in new materials, processes, and equipment to enhance the technical understanding of self and R&D team.
- Perform related and assigned duties from department manager, director, or Vice President.
- Thrive in a fast paced and dynamic working environment.

Education and/or Experience

- 1-4 years Food Science experience with a BS degree in Food Science or related field.

Additional Information:

Lyons Magnus offers a comprehensive benefits plan that include Health Insurance, Dental Insurance, Life Insurance, Long Term Disability, Sec. 125, 401(k) plan, and more.

If you meet these requirements and are eager to join a dynamic company poised for further growth, please email your cover letter, salary requirements, and resume to jobs@lyonsmagnus.com
