NOTES

¹ If all required lower division HIST courses have been completed, replace with HIST Upper-Division or Support Course

² Check Degree Progress Report (DPR) to see if the foreign language you have completed articulates for the required intermediate level (201). If not, resume at the appropriate level. If you have completed 201 or equivalent, replace with upper division HIST course.

³ **Minimum of 12 units** must be selected at the 400 level. HIST 400, 467, 485, 495 cannot count towards the 24 units of HIST electives. **Minimum of 12 units to be selected from Non-US/Non-Europe HIST courses (see catalog for list of options).**

⁴ If upper-division GE courses are used to satisfy Support requirements, additional units of Free Electives may be required to complete the 180 total unit requirement. Consult college advisor for more information. Please note Support courses must be taken for a letter grade

⁵ If UCSP requirement was not fulfilled with transfer credit, students should ensure one Upper-Division GE course also fulfills USCP requirement. Alternatively, students may fulfill USCP with HIST 406 or HIST 435 but these classes are not offered every year.

⁶ Free Electives may have been completed with transfer units. See college advisor to confirm.
