

## University Honors Program - Cal Poly, San Luis Obispo Curriculum for Incoming Students (Fall 2017)

Illustrated below is the new Honors Program curriculum. Features include:

- A year-long Honors experience consisting of three 2-unit courses (HNRS 161, 162, and 163). The experience provides students with the opportunity to work on interdisciplinary teams to research and implement a service project for a local community partner. HNRS 161/162 counts as a General Education (GE), Area D3 requirement;
- A 1-unit course on leader skill development and self-evaluation (HNRS 261);
- Five additional Honors courses (approved electives - minimum of 14 units) designed to provide engaging and challenging experiences for students. These are primarily GE courses that may be double-counted toward degree requirements;
- A leader experience requirement;
- A mentor or learning assistant experience requirement;
- An approved Honors experience track (HNRS 361) focused on research, international study, or community service;
- Senior project or an equivalent culminating experience completed within the student's major; and
- A 1-unit Honors Capstone Seminar (HNRS 461) designed to link a student's senior project with Honors Program learning objectives.
