

# DURING THIS RAINY SEASON, PLEASE BE SAFE AND LOOK OUT FOR CONDENSATION

## KEEP THESE THINGS IN MIND

- ▶ Avoid slips & falls by shaking out your umbrella before you enter the building.
- ▶ Crack your window to lower the humidity.
- ▶ Run your fan — circulation will keep air fresh.
- ▶ Break out your dust buster! (Dust can lead to mold.)
- ▶ Report roof, window and door leaks.
- ▶ Dry wet shoes — they can be a source of foul odor.
- ▶ Let custodians know if walk-off floor mats are needed at entrances.
- ▶ If you notice condensation, please submit a Service Request.
