## Statement of Purpose

In collaboration with the Center for Leadership, this Residential Learning Community fosters socially responsible leadership development through events and initiatives that are innovative and educational.

## Statement of Understanding of Community Expectations

As a member of the **Collaborative Leadership** Residential Learning Community (RLC) I understand that I am expected to:

- Complete the Emerging Leaders Series with my cohort in the Fall quarter
  - This not-for-credit course will be facilitated in, or near, my Residential Learning Community
  - I will notify my facilitator by email in advanced of any workshop absences
  - I understand that I am allowed up to one (1) excused absence
  - I will positively contribute to the workshop experience of my cohort and will actively invest in my own development through this opportunity
- Actively participate in on-going leadership and service opportunities in my community and/or in greater San Luis Obispo
  - I will attend at least one (1) leadership or service opportunity in Winter and one (1) in Spring quarter
  - I realize I can complete this responsibility by singing up for the Social Change Leadership workshop through the Center for Leadership or by attending a program, service day or speaker event on campus or in San Luis Obispo
- I will complete an online reflection after attending a leadership or service opportunity by **DATE/WEEK#** of Winter and Spring quarter

## Accountability Statement

The success of this Residential Learning Community depends upon the individual investment and contribution that each community member makes. I understand and agree that, in the event that I do not uphold the expectations of my community, the following accountability measures may be taken:

- I will receive a Community Expectations Reminder email after my first absence from the Emerging Leaders Series workshop.
  - Further absence(s) will require I attend a Community Standards Meeting
  - Share likely resolutions here? (We discussed 2 hrs community service)
- My RA will check-in with me if I have not completed an online reflection after attending a leadership or service opportunity by **DATE/WEEK#** of Winter and Spring quarter
  - I may be required to attend a Community Standards Meeting if this responsibility continues to go unmet
