

CAL POLY REGISTRATION MONITOR

FALL 2020

First Round Through 7/17/20 - Formerly End of Alpha Rotations

The "Registration Monitor" report shows preliminary enrollment information based on registration activity at specific points in time prior to the official census date. The current data is compared to data from the same point in time in previous years to calculate projections and to show a point of reference for monitoring. Enrollment data for Fall 2020 will not be final until early November.

* New Transfers include students returning in a new major and transitory students.

[^] New freshman and new transfer headcounts include students selected for Fall that enrolled in Summer (new first-time freshmen will be registered during block registration in August).

^{^^} Target set by Admissions and Director of Enrollment Planning and Management.

^{**} The difference can be attributed mainly to timing in processing data during this term.

Projections are calculated based primarily on enrollment at the same point in time in the registration process from the most similar previous three years with more emphasis placed on more recent years. Due to variations in registration behavior from year to year, projections should only be considered **indicators** rather than predictors of final enrollment.
