\* New Transfers include students returning in a new major and transitory students.

^ New freshman and new transfer headcounts include students selected for Fall that enrolled in Summer (new first-time freshmen will be registered during block registration in August).

^^ Target set by Admissions and Director of Enrollment Planning and Management.

~ This number includes summer institute students.

\*\*Not comparable to Fall 2019 in that prior to College Year (CY) 2020-2021, New Students were only admitted in Fall. For CY 20-21, forty-five (45) New Students were admitted in Summer 2020 who are now being counted as Continuing.

Projections are calculated based primarily on enrollment at the same point in time in the registration process from the most similar previous three years with more emphasis placed on more recent years. Due to variations in registration behavior from year to year, projections should only be considered **indicators** rather than predictors of final enrollment.
