The current SCU's of 248,053 projects to estimated census SCU's of 259,535.

This estimate is 1.5% below Cal Poly's internal target of 263,447.

Projections are calculated based on enrollment at the same point in time in the registration process from the most similar previous three years with more emphasis placed on more recent years. Due to variations in registration behavior from year to year, projections should only be considered **indicators** rather than predictors of final enrollment.
