INTERDISCIPLINARY STUDIES

WEEKLY NEWS 1/27

NOTE FROM DR. RYALLS

Welcome to the start of Week 4! Hard to believe we're nearly 1/2 way through the quarter already!

This quarter ISLA will once again be hosting our annual Social Justice Film Festival. I'm sure you'll all agree, this year's theme—Immigration—is a timely one. We hope you can join us on Wednesday, February 25 and Thursday, February 26 for film screenings and discussion around this important topic. See below for more details.

I'm happy to announce that given student demand, the ISLA Lab (52; E1) is now available Tuesday, Wednesday, and Thursday from 6PM-9PM for students to use to study. In order to get access to the lab, you will need to email Krysia Hall (KHall39) for the code. Please limit these emails to working hours. Please remember to leave the lab as you found it.

I am out of the office this week to attend the Sundance Film Festival in Park City, Utah. I will be checking email, however, so if you have questions, please do not hesitate to reach out.

MEET KEELY - YOUR ISLA STUDENT ASSISTANT!

Hi everyone! I'm Keely, a fourth year ISLA major/STS minor. I am also the ISLA student assistant!

I create these newsletters, run our ISLA social media, and support events throughout the

quarter. I'm also here as a resource for you — whether you have questions about the ISLA program, need help navigating course selection or declaring a concentration/minor, or want to get more involved in the ISLA community.

 My contact information: kfrobert@calpoly.edu

I'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus!

ISLA CLUB

A group of students has founded the ISLA club as a space for ISLA students to meet and connect! The first meeting has been held, but meetings will continue across the quarter.

Follow the Instagram @calpolyislaclub or join the GroupMe for more updates.

The graphic features a green background with a white border. In the top left is a stylized white and brown horse logo. To the right of the logo, the text "MUSTANG FILM SOCIETY" is written in large, bold, dark blue capital letters. In the top right corner is a yellow and brown gavel icon. Below the main title, there is a blue square icon with a white camera symbol. To its right, the text "Instagram" and "@mustangfilmsociety" is displayed. Below this, there is a white circle icon with a white envelope symbol. To its right, the text "For more info contact" and "eyalls@calpoly.edu" is displayed. To the right of the contact information is a green rounded rectangle containing two yellow star icons and the text "CONNECT WITH PEERS INTERESTED IN FILM!" and "BUILD IMPORTANT INDUSTRY SKILLS!".

MUSTANG FILM SOCIETY

Mustang Film Society is a new club on campus aimed at fostering a community around film and providing students interested in film with opportunities to connect to others in the film industry and explore their interests! This may be of interest to any MAST minor students.

If interested, please contact Dr. Emily Ryalls at eyalls@calpoly.edu or follow the Instagram @mustangfilmsociety

CAREERS & INTERNSHIPS

Career & Internship Opportunities You Don't Want to Miss!

Winter quarter is packed with exciting opportunities—mark your calendars and take advantage of what's coming up!

Winter Career Fair

Join us Tuesday, January 27 and Wednesday, January 28 from 10 a.m.–3 p.m. in the Rec Center for the Winter Career Fair! Over 100 employers—including nonprofits, government agencies, research labs, and private companies—will be recruiting. CLA-relevant organizations attending include Enterprise Mobility, GALLO, Insight Global, Vandenberg SFB, County of Santa Barbara, United Way of Northern Santa Barbara County, Siemens, and more. Don't miss the chance to network and explore internships, jobs, and career paths.

Cal State DC Scholars Program

Interested in interning in Washington, D.C.? [Applications](#) are open for the [Cal State DC Scholars Program](#), which allows students to study, intern, and earn academic credit in the nation's capital. The final deadline is February 6, 2026, and [virtual info sessions](#) are still available.

APICA Summer Fellowship

The [Asian Pacific Islander Capitol Association \(APICA\)](#) is offering a 10-week paid summer fellowship in Sacramento for students interested in public policy. Open to college students and recent graduates (21+), the program includes a \$6,720 stipend and hands-on experience in a legislative office. [Applications are due February 6](#).

Virtual Social Impact Alumni Panel

Hear from alumni working as nonprofit directors, veteran services coordinators, and even California mayors at this virtual panel on Thursday, February 19 at 11:10 a.m. A flyer and Zoom link are coming soon!

If you have questions about any of these opportunities, don't hesitate to reach out—we're here to help!

ENROLLMENT

DATA ARE A FEMINIST ISSUE

“**Considers how inequality permeates all stages of data science.**”

“**A data science that exposes and challenges power and the intersecting oppressions that result.**”

“**Looks at many axes of inequity including race, gender, class, ability status, and more.**”

Come take Data Feminism (STAT 270) with Dr. Theobold on Tuesdays from 12-2

Course Spotlight: Data Are a Feminist Issue (STAT 270)

Data Are a Feminist Issue explores how inequality is embedded in every stage of data science—from data collection to analysis and interpretation. Using an intersectional framework, the course examines how power, race, gender, class, ability status, and other forms of inequity shape data and its real-world impacts. Interested in using data to challenge systems of oppression rather than reinforce them? Enroll in Data Feminism (STAT 270) with Dr. Theopold, meeting Tuesdays from 12–2.

Teach, Explore, and Inspire in the Learn by Doing Lab

Looking for a meaningful, hands-on experience that blends science, teaching, and community impact? Join Cal Poly CESAME's Learn by Doing Lab through SCM 302! This interactive outreach program gives Cal Poly students the chance to lead inquiry-based STEM activities for visiting 5th–8th grade classes. You'll guide real experiments, spark curiosity, and help bring science to life—all while building confidence in communication, teamwork, and instructional design. Open to all majors and offered Winter and Spring quarters, SCM 302 counts toward early field experience hours and provides valuable, real-world teaching practice.

Enroll in SCM 302: Learn by Doing Lab during registration. For questions, contact Dr. Seth Bush at sbush@calpoly.edu.

EVENTS

SENIOR PROJECT INFO SESSION

We will once again be hosting the ISLA Senior Project Information Session this quarter. This is open to any ISLA majors, but particularly useful for those of you who will be completing your Senior Project in Spring or Fall. All of the ISLA Senior Project advisors will be there to offer tips and advice. The meeting is Thursday, February 19 at 11:10AM. Here is the Zoom link: [ISLA Senior Project Meeting Zoom](#)

Opioid Overdose Prevention & Free Narcan Kits

Cal Poly's Alcohol and Other Drug (AOD) Prevention team is partnering with ISLA to support student safety and wellness. With fentanyl-related overdoses on the rise nationally and locally, it's more important than ever to know how to recognize an overdose and respond effectively. Join us for a brief, interactive training covering:

- How to identify an opioid overdose
- How to safely administer Narcan (Naloxone)
- How to access free Narcan + Overdose Prevention Kits

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions: Tuesdays, 3–5 PM and Thursdays, 3:30–5:30 PM on the Health Lawn.

Want us to come to your space for a distribution or presentation? We're happy to schedule a time that works for you!

OPPORTUNITIES

Are you a parent in San Luis Obispo County with young children?

Let me hear your thoughts about **healthcare access** in SLO County in this survey!

It takes only **10-15 minutes** of your time.

Help Shape Research on Early Childhood Healthcare in SLO County

A graduate student in Cal Poly's Master of Public Policy Program, is conducting their thesis research on the healthcare system in San Luis Obispo County, with a focus on parents and caregivers of children aged 2 and under. They are currently seeking survey participants to better understand access, experiences, and challenges within the local healthcare system.

Faculty and community members are invited to support this research by sharing [this survey](#) with eligible parents.

Thank you for helping advance research that supports families and young children in our community.
