# INTERDISCIPLINARY STUDIES

## WEEKLY NEWS 2/17

### NOTE FROM DR. RYALLS

I hope you all had a wonderful weekend and were able to take advantage of the incredible weather we've been having.

I'm happy to announce that we have secured a room for Night One of our Social Justice Film Festival. As a reminder, this year's theme is "Migration," which I'm sure you'll all agree is very timely and important.

**Night One** happens on Wednesday, February 25 at 4:10PM in 33-286. "Crossing Borders: Media Representations of Migration and Justice" will feature 2 segments from a recent episode of 60 Minutes: one on Minneapolis and another on CECOT. We will also show two short films, including YES, a film by ISLA Professor Randi Barros. Following the films, Professor Barros and Dr. Melissa Manzanares will host a discussion and Q&A.

On Thursday, February 26, we will screen Sleep Dealer at the [Palm Theatre](#), followed by a talk from Dr. Stina Attebery. Doors open at 4PM and the event begins at 4:10. Admission is free.

My office hours are Monday 2PM-4PM and Thursday 12PM-2PM. During these times, we can meet in my office (52-D3) or via Zoom. Please be sure to schedule an appointment:

<https://calendly.com/eryalls/dr-ryalls-s-office-hours>. I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time

**MEET KEELY - YOUR ISLA STUDENT ASSISTANT!**

Hi everyone! I'm Keely, a fourth year ISLA major/STS minor. I am also the ISLA student assistant!

I create these newsletters, run our ISLA social media, and support events throughout the quarter. I'm also here as a resource for you — whether you have questions about the ISLA program, need help navigating course selection or declaring a concentration/minor, or want to get more involved in the ISLA community.

 My contact information: [kfrobert@calpoly.edu](mailto:kfrobert@calpoly.edu)

I'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus!

## CAREERS & INTERNSHIPS

**Career & Internship Opportunities You Don't Want to Miss!**

Winter quarter is packed with exciting opportunities—mark your calendars and take advantage of what’s coming up!

## **Virtual Social Impact Alumni Panel**

Hear from alumni working as nonprofit directors, veteran services coordinators, and even California mayors at this **virtual panel on Thursday, February 19 at 11:10 a.m.** A flyer and Zoom link are coming soon!

## **Dream Out Loud**

**Dream Out Loud is a call to CSU students, faculty, and alumni** to share the stories that brought you here, shaped you, and keep you moving forward. You can share your own OR someone else’s story (think Ryan Coogler, Billie Jean King, etc.)

**The CSUEA will select a handful of these stories to create statewide and potentially even national PSA campaigns.** Selected participants will work with creative professionals to help craft their story into multiple media types (think tv spots, radio commercials, billboards, and more) to share with the world. Your voice matters — and we hope to hear it!

-  Create a short PSA about your CSU journey
-  Or spotlight someone who inspired your path
-  Any medium. Any style. Your voice. Your story.

**We are currently looking for the story, not the finished product** — a short, written treatment is all that is needed!

**Submission DEADLINE EXTENDED to March 1, 2026** — For more information, go to [CSUEA.submittable.com](https://csuea.submittable.com)

If you have questions about any of these opportunities, don’t hesitate to reach out—we’re here to help!

Come take Data Feminism (STAT 270) with Dr. Theobold on Tuesdays from 12-2

## Course Spotlight: Data Are a Feminist Issue (STAT 270)

*Data Are a Feminist Issue* explores how inequality is embedded in every stage of data science—from data collection to analysis and interpretation. Using an intersectional framework, the course examines how power, race, gender, class, ability status, and other forms of inequity shape data and its real-world impacts. Interested in using data to challenge systems of oppression rather than reinforce them? Enroll in Data Feminism (STAT 270) with Dr. Theopold, meeting Tuesdays from 12–2.

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions: Tuesdays, 3–5 PM and Thursdays, 3:30–5:30 PM on the Health Lawn.
