REQUIREMENTS AND PROCEDURES
CHANGE OF MAJOR INTO KINESIOLOGY
EFFECTIVE FALL QUARTER 2011 (Revised: June 2015)

General Information
All students requesting a change of major into Kinesiology must meet the following minimum requirements.

- **Class Level**
  - Have completed at least 1 quarter at Cal Poly. The department will not enter into an Individualized Change of Major Agreement (ICMA) with students who have not completed at least 1 quarter at Cal Poly.

- **Academic Standing and Course Requirements**
  - Have an overall Cal Poly GPA of 2.5 or a GPA of 2.5 in last two quarters.
  - The Kinesiology Department undergraduate coordinator will work with each individual student to establish a term GPA requirement for each quarter of the ICMA. The minimum term GPA expectations may range from 2.50 to 3.0, and a GPA of 3.0 in the target courses specified on the ICMA.
  - The Kinesiology Department undergraduate coordinator will work with each individual student to determine what, if any, course requirements are needed for each quarter of any ICMA.

Procedures

- **First Step** = attend a Change of Major workshop in the Mustang Success Center (MSC) or meet with an Advisor in the MSC to discuss the process of changing your major at Cal Poly. For Change of Major Workshop Schedule See: [http://advising.calpoly.edu/content/workshop-schedule](http://advising.calpoly.edu/content/workshop-schedule)

- **Second Step** = talk to an advisor in your current major to discuss why your major is or is not the best academic/professional “fit” for you at this time.

- **Third Step** = during weeks three, four or five of the quarter meet with Dr. Kris Jankovitz, Undergraduate Coordinator in Kinesiology (43A-375), to determine if Kinesiology major is the better “fit” for you.
  - Please bring the following items with you to the initial meeting with Dr. Jankovitz
    - A copy of your current unofficial transcripts (print out of Poly Profile)
    - Complete the Change of Major to Kinesiology Worksheet. Download from Kinesiology Department webpage at: [http://www.kinesiology.calpoly.edu/content/currentstudents](http://www.kinesiology.calpoly.edu/content/currentstudents)
    - Students who wish to be considered for an ICMA must submit all documents to Dr. Jankovitz by the end of the fifth week of the quarter.
    - Students will be notified by the end of the sixth week of the quarter if they will or will not be put on an ICMA to change major into Kinesiology. Students who are not put on an ICMA will be able to apply at a later time.

Important Notes

- The Kinesiology Department will ONLY meet with students to discuss change of Major requests during weeks three, four and five in fall, winter and spring quarters.

- The Kinesiology major is impacted. Therefore, the department may limit the total number of ICMAs to 10 per quarter (fall, winter and spring)
