# SUPPORT LAES

## *Give back*

Your gifts will help foster this unique program and extend its impact by enabling more students to collaborate with each other and faculty in innovative ways in the area of expressive and emerging technologies. Here's how your contributions will help LAES students:

- Increase the amount and number of scholarships
- Foster internship and entrepreneurial opportunities
- Grow the LAES faculty, enhancing class offerings and perspectives available to students
- Fund senior projects, addressing real-world challenges while increasing collaborative opportunities
- Invest in up-to-date technology, providing students with modern equipment and software
- Provide funding for study abroad experiences, giving students a global context for their studies
