### Mentorship

- Alumni interested in strengthening connections with a campus organization are invited to serve as mentors.
- The Center for Leadership will connect students and alumni mentors.
- Guidelines and discussion points will be provided by the Center for Leadership.
- At least two meetings are recommended.

### Ongoing Involvement

- After establishing a connection through mentorship, we encourage you to remain involved with the organization.
- Potential engagement opportunities:
  - **Programming** - share your knowledge with students by giving a presentation, hosting a workshop, offering resume reviews/mock interviews.
  - **General support** - attend or volunteer at events hosted by the organization.
  - **Fundraising** - gifts of any amount are appreciated.

### Contact

- Email leadership@calpoly.edu for more information or to schedule a consultation.
- Visit leadership.calpoly.edu/alumni-mentoring for further resources.

### Goals

- Students practice relationship-building skills and expand their organization’s network.
- Students may gain career and leadership development advice.
- Alumni can contribute to a community and extend the membership experience.
