MATH 495  Cooperative Education Experience

1. **Catalog Description**

   **MATH 495. Cooperative Education Experience**  
   
   CR/NC  
   
   Prerequisite: Consent of instructor.  
   
   Full-time work experience in business, industry, government, and other areas of student career interest. Positions are paid and usually require relocation and registration in course for two consecutive quarters. Formal report and evaluation by work supervisor required. No major credit allowed; total credit limited to 12 units. Credit/No Credit grading only.

2. **Required Background or Experience**

   Sophomore standing.

3. **Learning Objectives**

   The student should:
   
   a.  Work (at least part-time) under a supervisor at some task/project/job of mutual interest and gain experience of the workplace.
   b.  Keep a log of his/her experience and produce a formal report after his/her return to campus.

4. **Text and References**

   No text or references required.

5. **Minimum Student Materials**

   None.

6. **Minimum University Facilities**

   None.

7. **Content and Method**

   Each co-op experience is unique.

8. **Methods of Assessment**

   Evaluation is primarily by supervisor evaluation and formal report.
