MATH 495  Cooperative Education Experience

1.  **Catalog Description**

   **MATH 495  Cooperative Education Experience (12)  (CR/NC)**

   Full-time work experience in business, industry, government, and other areas of student career interest. Positions are paid and usually require relocation and registration in course for two consecutive quarters. Formal report and evaluation by work supervisor required. Total credit limited to 12 units. Credit/No Credit grading only. Prerequisite: Sophomore standing and consent of instructor.

2.  **Required Background or Experience**

    Sophomore standing.

3.  **Learning Objectives**

    The student is expected to work (at least part-time) under a supervisor at some task/project/job of mutual interest and gain experience of the workplace. The student is also expected to keep a log of his/her experience and produce a formal report after his/her return to campus.

4.  **Text and References**

    No text or references required.

5.  **Minimum Student Materials**

    None.

6.  **Minimum University Facilities**

    None.

7.  **Content and Method**

    Each co-op experience is unique.

8.  **Methods of Assessment**

    Evaluation is primarily by supervisor evaluation and formal report.
