MATH 495 Cooperative Education Experience

1. Catalog Description

   MATH 495. Cooperative Education Experience  
   CR/NC  
   12 units

   Prerequisite: Consent of instructor.

   Full-time work experience in business, industry, government, and other areas of student career interest. Positions are paid and usually require relocation and registration in course for two consecutive quarters. Formal report and evaluation by work supervisor required. No major credit allowed; total credit limited to 12 units. Credit/No Credit grading only.

2. Required Background or Experience

   Sophomore standing.

3. Learning Objectives

   The student should:
   a. Work (at least part-time) under a supervisor at some task/project/job of mutual interest and gain experience of the workplace.
   b. Keep a log of his/her experience and produce a formal report after his/her return to campus.

4. Text and References

   No text or references required.

5. Minimum Student Materials

   None.

6. Minimum University Facilities

   None.

7. Content and Method

   Each co-op experience is unique.

8. Methods of Assessment

   Evaluation is primarily by supervisor evaluation and formal report.
