

## Frost Research Fellowship Application - Summer 2018

Thank you for your interest in becoming a Frost Research Fellow in Summer 2018! Please visit the Math Department webpage, review the available projects for this summer, print this application and fill it out, and return to Dr. Danielle Champney in 25-336 by **March 23**.

Name: \_\_\_\_\_

Major: \_\_\_\_\_ Concentration: \_\_\_\_\_

Are you in the 4+1 program? If yes, have you already been reclassified as PBAC?

\_\_\_\_\_

Math Courses Taken and Grade Received (include courses in progress):

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Which projects are you interested in - please rank from (1 - most desirable) to (5 - least desirable)

(1) \_\_\_\_\_

(2) \_\_\_\_\_

(3) \_\_\_\_\_

(4) \_\_\_\_\_

(5) \_\_\_\_\_

Please list the name of a math faculty member who may be able to speak about your suitability for a summer research position:

\_\_\_\_\_

Please attach a paragraph that demonstrates your interest in one or more of the projects you listed above. Please also include some information about your qualifications for the particular project(s), and (maybe most importantly) some questions you have about the project or the research that you are excited to explore during the summer!
