CROSS CULTURAL EXPERIENCE
Week of Welcome 2019
Cal Poly
WHAT MAKES CCE DIFFERENT?

This Week of Welcome option seeks to form a community for students who identify as a member of an underrepresented group including, but not limited to: various racial and ethnic backgrounds, gender identities, citizenship, sexual orientations, and economic class.

Cross Cultural Experience (CCE) includes an alternative group experience for WOWies such as: fun activities, workshops, discussions, and a multicultural resource fair that centers the voices of underrepresented students at Cal Poly and ensures a CCE participant is connecting to resources and communities that will help them to be a successful Mustang!

CELEBRATE DIVERSITY. CULTIVATE COMMUNITY. CREATE MEMORIES.
