DESIGN TOMORROW'S CITIES WITH US.

We are the voice of City & Regional Planning students at Cal Poly, San Luis Obispo

APA Conference in Oakland

ASP members had the opportunity to go to the California American Planning Association (APA) Conference in Oakland! Students had the opportunity to sit in on guest lectures from some of the most renowned planners in California and even had lunch with the President of the American Planning Association.

Imagineering in Anaheim

Nineteen ASP members got a behind the scenes tour of both Disney's Imagineering and California Adventures. We met the architects, planners, and engineers responsible for the Disney Resorts around the world and talked with California Adventure's main Landscape Architect as he showed us highlights of the park.
