CAL POLY

RECRUITING AND RETAINING
CALIFORNIA'S HIGH ACHIEVERS

CAL POLY SCHOLARS

The Cal Poly Scholars program aims to recruit and retain high-achieving students with financial need from California high schools and community colleges.

THE PROGRAM PROVIDES:

- An annual scholarship for duration of program participation
- A two year living-learning community for incoming freshmen
- Intentional workshops and advising to support student development and retention
- Credit towards a personal technology package

PROGRAM PRIORITIES

1

ENSURE

recruitment and support of
California's highest achievers

2

IMPROVE

opportunities for qualified California
high school and community college
students to attend Cal Poly

3

GUARANTEE

scholars receive proactive academic
advising to support student success

CAL POLY SCHOLARS

Cal Poly Scholars are housed together in an interdisciplinary student community, creating one of the most culturally diverse living-learning experiences on campus. The first two years of the curriculum focus on community and college success, whereas the following years prepare students for careers and lifelong achievements.

A UNIVERSITYWIDE PROGRAM, CAL POLY SCHOLARS PARTNERS WITH ENTITIES ACROSS CAMPUS TO ENSURE STUDENT SUCCESS, INCLUDING:

- Admissions
- University Housing
- Financial Aid and Scholarships
- Student Academic Services
- Mustang Success Center
- College Advising Centers
- Career Services

**CAL POLY WILL MATCH
SCHOLARSHIPS UP TO
\$2,500/YEAR**

If your employee's children qualify for the Cal Poly Scholars Program, your company's scholarship support may confirm their participation.

\$13,160

SUPPORTS

one Cal Poly Scholar
at \$2,632/year

\$75,000

ESTABLISHES

an endowment supporting
one Cal Poly Scholar annually

"I was considering dropping out of Cal Poly because things were going rough. But I remembered that someone believed in me and I could get through this rough patch in my life."

- CAL POLY SCHOLAR

"CP Scholars helped me through this year by giving me support via its community and regular advising. It reminds me that I am not alone in academia, and that I have help."

- CAL POLY SCHOLAR
