

GRADUATE STUDIES COMMITTEE

Function

Administrative direction and control of authorized master's degree programs will be through normal college and department line channels. Coordination of graduate programs among colleges and departments, and recommendation of campus guidelines for curricula and courses, for admission to graduate programs, and for awarding of graduate degrees will be accomplished by this committee.

Membership

The committee is appointed by the President and reports to the Provost.

Director, Graduate Education (Chair)

All graduate program coordinators, named according to established procedures in the respective colleges.

The graduate program coordinators will serve for the duration of their appointment by their respective colleges.

The single subject coordinator, multiple subject coordinator, and graduate program coordinators named according to established procedures in the School of Education. The coordinators will serve for the duration of their appointment by the School of Education.

One representative from the Library, nominated by the Dean of Library Services

Two graduate student representatives, nominated by the President of the ASI (annual appointment)

One representative from Student Affairs nominated by the Vice President for Student Affairs

The term of office shall be two years, unless specified otherwise.

Meetings

Quarterly, or more often, on call of the Chair.
