

INTELLECTUAL PROPERTY REVIEW COMMITTEE

Function

This committee is mandated under the University's Intellectual Property Policy. The committee is appointed by the President and reports to the Provost. The function of the Committee is to review and monitor University activities on matters relating to the administration of this policy, to review proposed changes to the policy, and to participate in the future development of the policy. The Committee also administers a review process for the allocation of the University's net proceeds from intellectual property. When necessary, the Committee reviews invention disclosures and other information to evaluate the University's contribution to the development of particular intellectual properties.

In the event of disagreement among interested parties concerning interpretation or application of the Intellectual Property Policy, the Committee serves as the appellate body, advisory to the University President.

Membership

Faculty representatives, without administrative appointment, from each college nominated by the Academic Senate Executive Committee

One representative from Professional Consultative Services nominated by the Academic Senate Executive Committee

Chair of the Research, Scholarship & Creative Activities Committee

Vice President, Research

One student representative nominated annually by the ASI President

Faculty appointees shall serve three-year terms. The committee chair (a faculty member) will be elected by the membership during the initial meeting in the fall, which will be convened by the Vice President, Research.
