

## **STUDENT HEALTH ADVISORY COMMITTEE**

The Student Health Advisory Committee (SHAC) will serve as a University Wide Standing Committee. SHAC will be co-chaired and advised by the Assistant Vice President for Student Affairs Health and Wellbeing or their designee. Students will constitute majority membership as outlined in Executive Order 943. Annually, SHAC will submit a report to the President.

### **Function**

1. Oversee the compliance with relevant California State University (CSU) Executive Orders and coordinate reports to the President or Chancellor's Office regarding health services provided by California Polytechnic State University and its auxiliaries
2. Oversee the implementation of CSU Executive Order 943 and its successor(s)
3. Oversee implementation of other CSU Executive Orders relevant to health services
4. Serve as an advisory group to Campus Health and Wellbeing
5. Assist Campus Health and Wellbeing in promoting the health and well-being of Cal Poly students, including offering a student perspective on facilitating and enhancing Campus Health and Wellbeing services. Collect information from departments providing health services regarding compliance with the Campus Health Services Policy
6. Respond to requests from the President and Vice President for Student Affairs for information
7. Respond to written surveys and other inquiries as assigned by the President or Vice President for Student Affairs
8. Make recommendations to the Assistant Vice President for Student Affairs Health and Wellbeing, Vice President for Student Affairs and President regarding health services oversight issues and findings.
9. To inform Cal Poly students about Campus Health and Wellbeing services and provide outreach on campus regarding important health issues.
10. To serve as liaison between the Campus Health and Wellbeing, Cal Poly students, PULSE, and campus entities whose policies or programs may impact the health of Cal Poly students and/or campus health services.
11. To review and provide feedback for proposals to add new or retain existing augmented services before review by the campus president (or designee) for approval.
12. To obtain, review, and evaluate information regarding the health concerns and healthcare needs of Cal Poly students and share this information with Campus Health and Wellbeing.
13. To provide a student perspective on scope of service, service delivery, funding, student satisfaction, and other issues relating to Cal Poly health services for students.

The committee is appointed by the President and reports to the Vice President for Student Affairs or designee.
