Committee members are reminded of the importance of communicating with their constituents on issues of interest. The effectiveness of standing committees is directly related to timely input from represented groups.

The above appointments are effective immediately and remain in effect until appointments are announced for the next calendar year. Each campus-wide standing committee will be requested to submit an annual report to the President with a copy to the University Committee on Committees at the conclusion of the academic year. Attached is an outline of the Substance Use and Abuse Advisory Committee’s function and membership.

New members are urged to consult their predecessors for background information on this committee.

* Co-chair
