Bachelor’s Level Career Opportunities

Make a Difference in Your Community!

Community Based Programs
Our community based programs work closely with Social Services, Mental Health, Juvenile Probation, and other service providers to support youth and families by drawing upon community and family strengths.

Counselors provide support, guidance, and mentoring for youth. They support youth in reaching their mental health and behavioral goals, help them get involved in activities, and connect them to resources in the community.

School Programs
Seneca provides academic, behavioral and therapeutic support to meet the needs of struggling students through highly individualized plans that celebrate students’ strengths. Seneca’s education programs include nonpublic schools, as well as public and charter school partnerships.

Counselors provide classroom support for students, mentor and guide individualized students, and lead small groups in recreational and extracurricular activities.

Program Support
Administrative positions at Seneca play a vital role in allowing our programs to function smoothly. These positions provide an excellent starting point for entering the nonprofit field and supporting mental health and education initiatives. Our administrative staff work closely with program directors, clinicians, and counselors.

Benefits Include:
Competitive salary | Comprehensive benefits package | 403b Retirement Plan
4 weeks of flexible PTO | Employer-paid Employee Assistance Plan
Scholarship opportunities | Ongoing training and professional development
Salary differentials for bilingual Spanish abilities
