

Did You Know....?

Social Workers can be employed by:

Corporations	Schools
Universities	Prisons
Hospices	Hospitals
Private Practice	Political Offices
Military & Veteran Services	Child Welfare Organizations
Government Agencies	Advocacy Organizations
Foster Care & Adoption Agencies	Community Mental Health Centers

How do I become a Social Worker?

- Obtain your undergraduate degree in any field
- Attend graduate school for 2-3 years & obtain your Masters of Social Work (MSW) degree

If you would like to go on to be a Licensed Clinical Social Worker (LCSW) take these additional steps:

- Complete 3,200 clinical hours in a social work field (includes individual & group therapy, clinical assessment & diagnosis, research & advocacy)
- Pass one state and one national test
