

Off-List Internship Application

Our listed fieldwork internship sites have been reviewed and are monitored by faculty for quality. These internship sites provide on-site supervision from an appropriate professional, relevant training, and hands-on experience in a quality environment. In order for a childcare site to be approved, it needs to be NAEYC accredited. An alternative internship site needs to meet these criteria and meet a need that is not met by our official sites in order to approved.

Directions:

- 1) read internship FAQ on department website
- 2) **Submit this application by Thursday of week 6** (of the quarter prior to the one in which you plan to enroll for internship) to PSY&CD main office
- 3) Attend internship coordinator office hours in **week 7 or 8**
