ADVANCED PLACEMENT (AP®) CREDIT for 2012 Exams

http://registrar.calpoly.edu/sites/registrar/files/Degree_Progress/articdoc/apcred2012.pdf

Contact College Board directly at (609)771-7300 or (888)225-5427 to ensure exam results are sent to us electronically. We advise you *specifically request* any scores from multiple years be combined into one file.

AP exams are passed by earning a score of 3, 4 or 5, earn a Credit (CR) grade and are not calculated in the GPA. A maximum of nine (9) quarter units are earned; fewer units are earned when exam content is duplicated (see NOTES).

When credit and units are earned for a specific course(s), the excess unit(s) count as electives. Cal Poly GE Areas and numbers are listed and are different from CSU GE Areas and numbers.

Credit extension is reviewed annually and adjusted when the exam content and/or Cal Poly courses change.

NOTES : Degree credit applied may vary depending on the student's major, General Education (GE) requirements, catalog, exam year, AP score and CSU policy.

⌘ To determine credit for combined exams only, use the AP matrix for the year of the last exam taken. E.g.: if exams are taken in 2011 and 2012, 2012 exam credit will be used.

♦ If credit is granted for one of *these* courses, refer to the current CalPoly catalog before enrolling in any other class listed: it may repeat content and thus not receive degree applicable credit.
