Fall 2010

Today's Agenda

- Implementation details and timelines
  - Expected Academic Progress (EAP)
  - Change of Major
  - AP/DQ
- Prerequisite project update
- The NEW online change of grade process

Fall 2010

Expected Academic Progress (EAP)

- Effective for those who are admitted as of Fall 2010

- Requires students to make a predetermined level of progress towards their declared major each academic year

- Progress is measured using their degree audit and reflected in a report

Fall 2010

EAP Report

- Produced by using point-in-time data that is extracted from PS after the census date of each quarter

- Distributed by the Office of the Registrar to colleges after the census date and before the start of registration for the next quarter in any given term

- The information is also reflected in Poly Profile
