Fall 2010

## Today's Agenda

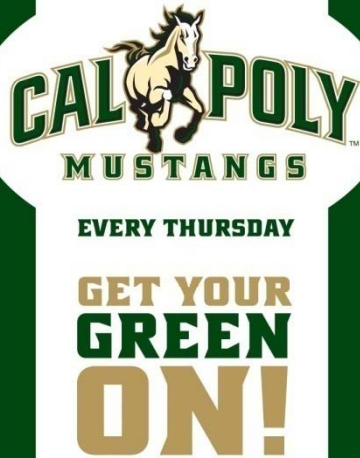

- Review grade change process
- Step-by-step for on-line grade change
- Preview a Student Portal Channel that's coming soon

Fall 2010

## Review Change of Grade Process

- Deadline for Academic Grade Changes (A thru N/C)
  - Must change grade within one year from the end of the term where original grade was awarded (exception of senior project and specific graduate courses)
  - First 7 weeks of the quarter following the award of the original grade (Instructor only)
  - After the 7<sup>th</sup> week of the following quarter – extraordinary circumstances resulting in delay (Instructor, Dept Head/Chair, and Dean)

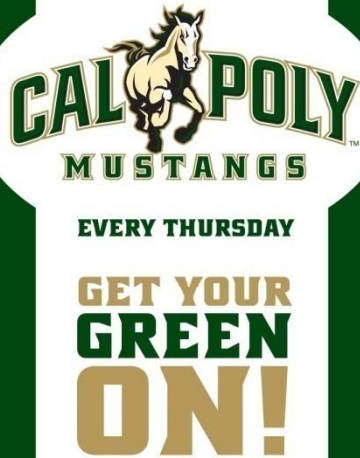

Fall 2010

## Guidelines defined by AS Resolution 384-92/IC, Change of Grade

- A change of grade may occur only in cases of
  - Clerical error
  - Administrative error
  - Instructor error
- A change of grade may not be done due to
  - Acceptance of additional work
  - Re-examination beyond the specified course requirements

Fall 2010

## Review Change of Grade Process

- Deadline for Administrative Grade Changes (I/RD/RP)
  - Within one year following the award of the original grade (Instructor only)
  - After one year following award of original grade – extraordinary circumstances resulting in delay (Instructor, Dept Head/Chair, and Dean)

### Office of the Registrar ~ Home

The Office of the Registrar is dedicated to providing administrative support and service in accordance with the Family Education Rights and Privacy Act ( [FERPA](#) ), to the university's faculty, staff, and students.

The Office of the Registrar is composed of three functional areas referred to as Records, Evaluations, and Curriculum and Scheduling.

Records is responsible for student records. This includes registration, enrollment verification, grades, transcripts and other related services.

Evaluations is primarily responsible for validating academic degree progress which includes the graduation evaluation process. Evaluations can advise students about major requirements, degree posting, graduation evaluations and other degree related issues.

Curriculum and Scheduling is responsible for the production of the institutional catalog, the procedural/mechanical aspects of the curriculum process, the scheduling of academic classes, and management of the campus master calendar.
