What is a Leave of Absence?

A Leave of Absence is a leave from the university, which ensures that your program of study and access to services remain active.

Students may elect to take a leave of absence for a variety of reasons:
- Medical emergencies
- Family crisis or other personal situations
- Financial issues
- Academic difficulties
- U.S. military duty

Note: Undergraduate students can take 1 or 2 quarters off without jeopardizing their eligibility to enroll at Cal Poly and only need to submit an Undergraduate Informal Time Off form. Graduate student can take 1 or 2 quarters off without risking discontinuation, but they are held to the Cal Poly Continuous Enrollment policy (outlined on the Graduate Education website).

Eligibility Requirements

Before submitting a Leave of Absence Request you must:
- have attended Cal Poly for at least one quarter for which you earned units or received ‘W’ grades.
- be eligible to enroll in the term the leave begins.
- drop or withdraw from all classes for the term you plan to begin leave.
- submit a Request to Extend Expected Graduation Term for Undergraduates or Change of Degree Completion Term for Graduate students if the term you plan to return is past your expected graduation term (found in your Poly Profile).
- discuss the decision to take Leave of Absence with Financial Aid (Financial Aid Recipients only).
- not have exceeded two Leaves of Absence totaling a maximum of 8 terms (exception for U.S. Military Leave of Absence).

Additional leaves must be requested by submitting a new Application for Leave of Absence prior to the first day of the original return term. Under no circumstances shall the total number of quarters of Leave exceed eight (including summers) per academic career (except for U.S. Military Service).
Leave of Absence Policies

Students who meet the eligibility requirements:

- may apply for a leave of absence for up to four quarters, including summer.
- may request one additional leave of absence, totaling a maximum of 8 terms (see below for U.S. Military Leave).
- must have an initiated *and approved* leave of absence submitted before the leave begins. A leave of absence will not be granted retroactively.
- will be in continuous attendance with the purpose of returning to the same curriculum that was in effect when the leave began.
- must inform the financial aid office, if applicable.
- will not be required to apply for readmission or pay an application fee provided that the student returns to the same major and within the time period agreed upon when the application was approved.

Any student on leave who fails to return and enroll within the time limits specified by the leave agreement will be required to reapply for admission, pay the reapplication fee, and may be held to any new curriculum requirements which may be in effect.

Process

1. Complete and sign the Leave of Absence Application form via Adobe Sign using your Cal Poly credentials.
2. The completed form will be routed through Adobe Sign to obtain required signature approvals. All signatures and approvals must be obtained to officially start a Leave of Absence.

If applicable:

- Drop all enrolled courses for the quarter requested prior to submitting the Application for Leave of Absence. **NOTE:** If you have withdrawn from all classes and received ‘W’ grades, it is not necessary to use a Leave of Absence for that term.
- If your Expected Graduation Term falls within your planned Leave of Absence, Undergraduates should complete a [Request to Extend Expected Graduation Term form](#). Graduate students should complete a [Change of Degree Completion Term Request](#).
- **Undergraduate students:** Log into Degree Planner quarterly. Adjust your leave terms to “0” units. Logging in will guarantee that you are compliant for the next enrollment period and will not be penalized with a delayed registration appointment when you resume attending Cal Poly.
- **Note for Freshmen:** If you are taking a Leave of Absence in a term for which you have been Block Scheduled, you will need to drop those courses from your Enrollment tab in your Student Center in order to avoid paying fees or being assigned a grade of “F”/“WU”.
- **Graduate students:** You should discuss your absence with your Graduate Coordinator. During your approved leave, you are exempt from the Cal Poly Continuous Enrollment Policy. However, all graduate students must complete their degree within seven years of matriculation, known as the 7-Year Rule.
- **Note for Financial Aid Recipients:** Students who have received Financial Aid are cautioned to carefully consider the effect of leaves on their loan status; lenders may count the leave period as part of the total grace
period. Cal Poly provides enrollment status to the National Loan Clearing House. Students who receive loan disbursements directly may be required to repay portions of their loan. Contact Financial Aid at Financialaid@calpoly.edu.

U.S. MILITARY LEAVE:
Students called to active U.S. Military duty should attach their orders to a Leave of Absence form before submitting the form to the Office of the Registrar. If using VA educational benefits, the appropriate certifying official will be notified. Additional military leave questions should be directed to the Veterans Affairs School Certifying Official.
- Student will be placed on a two-year military leave of absence for military duty beginning with the term following the last term enrolled and attending.
- If an extension is necessary, an additional extension (up to a total of 5 years) may be authorized with a copy of your U.S. Military orders. An updated form complete with Military orders is required.

Returning to Cal Poly

- **Prepare for registration:** Your registration date and time should be assigned in your Student Center before your return. Please review the timeline for your Enrollment Appointment and plan accordingly. In addition, check for any registration holds in your Student Center.
- **Contact College Advisor:** https://advising.calpoly.edu/advising-centers to review:
  - **Catalog and policy changes:** Degree curriculum and university policies are consistently being reviewed and updated. Verify with your advisor that you are on the catalog that best suits your degree progress.
  - **Academic Probation and Disqualification:** If you are on academic probation, please contact your academic review counselor to discuss your eligibility.
  - **Residence Requirements:** Cal Poly residence requirements are university guidelines for courses that must be taken at Cal Poly. For undergraduate students, 28 units of the last 40 units counted toward the degree must be in residence. Extension credit or credit by examination may not be used to fulfill the residence requirements. However, a maximum of 36 quarter units of extension credit may be counted toward the bachelor's degree.
- **Check for holds:** Check your Student Center, to see if there are any holds on your account that require action prior to registering for classes.

- **Email Financial Aid to speak with your Financial Aid counselor:** Verify if any loans and scholarships have been reactivated. You may need to contact your private lenders as well.

- **Complete your FAFSA:** Typically, students complete FAFSA for the upcoming school year by March 2 (FAFSA opens October 1). However, we encourage you to speak with Financial Aid to explore options.

- **California Dreamers:** You do not need to reapply for AB540 status as long as you are not discontinued at Cal Poly. If you have to reapply for admissions, then you will need to reapply for AB540 status. You may check with Admissions to confirm your active status.

- **Contact Information:** Update your mailing and/or permanent address in your My Cal Poly Portal Personal Info Tab.

- **Registration:** Register for courses during your enrollment appointment. Enrollment for courses will indicate your formalized return for Cal Poly and allow you to be an Active student.

- **Update Degree Planner:** Undergraduate students must update Degree Planner quarterly. Adjust your term to zero units to signal that you will be away. Log in to Degree Planner before the deadline during the term before your return. **Logging in will guarantee that you are compliant for the next enrollment period and are not penalized with a delayed appointment when you resume attending Cal Poly.**

- **Housing:** If you plan to reside in University housing contact the Cal Poly Housing Office for assistance. Email: housing@calpoly.edu

- **Transportation:** Contact Transportation Services regarding permits, parking and other transportation related questions. Email: parking@calpoly.edu

- **Assistance:** Need any help or want to discuss an extension of your leave of absence? Please contact a Retention Specialist at retention@calpoly.edu.
**ABSENCE PROCEDURES & CONTACT INFORMATION**

If you have decided to take time away from Cal Poly, the details involved can feel overwhelming. Use the chart below to identify & track processes relevant to your unique situation. If you have questions, do not hesitate to reach out to the University Advising Retention Team at retention@calpoly.edu for guidance and support.

**During normal campus operations:** To qualify for a full refund of mandatory campus fees, and nonresident tuition if applicable, all courses must be dropped through the online registration process prior to the first day of the academic term.

Completion of up to 60% or end of drop period of the term: Entitled to pro-rata refund of Category I and II mandatory systemwide and campus fees including non-resident tuition if applicable.

**Holds:**
To ensure your ability to register on time, upon your return, students should regularly review their account balance on their Cal Poly portal. Payment can be made online through the CASHNet portal or in person at the Cashier's Office, Administration Building (Bldg 1), Room 131E.

Students who have an overdue balance will have a financial hold placed on their academic records until the balance is paid to zero. The hold restricts the student from receiving University services, including but not limited to registration.

Student Loans: After six months of not being enrolled in at least half-time status (at any institution) you will be in repayment mode for any disbursed loans.

Federal, State & University Repayment: If you receive Federal, State or University Financial Aid and withdraw from all classes prior to completing 60% of the term, you may need to pay back a prorated portion of your aid.

Cal Grants: If you’re not enrolled at least half-time for any term, you must request a Leave of Absence from the Cal Grant program. You are allotted a maximum of 4 semesters/6 quarters (200%) of Leave of Absence throughout the lifetime of your Cal Grant award. Extensions may be granted for extenuating circumstances for students that submit a Cal Grant Appeal. https://mygrantinfo.csac.ca.gov/

Return of Title IV Funds (Unsubsidized Federal Stafford Loan, Subsidized Federal Direct Loan, Federal PLUS Loan, Federal Pell Grant, Federal SEOG Grant and Other Title IV Programs):

- The Federal Return of Title IV Funds policy mandates that students who officially or unofficially withdraw from all classes may only keep the financial aid they’ve earned up to the time of withdrawal. Federal aid recipients who withdraw from Cal Poly may need to repay a portion of their financial aid money. You are not required to repay any money you have earned via Federal Work-Study.

- The portion you may need to repay will be calculated by the Financial Aid Office and returned to federal or state programs. You may need to reimburse Cal Poly for what has been returned on your behalf.

- No repayment is required if you withdraw after completing 60% of the term. If you are considering withdrawing for a term, contact the Financial Aid Office to determine the impact of doing so.
