

# CAL POLY

Research & Economic Development

ACADEMIC AFFAIRS

RESEARCH WEEK

## *Collaborate on Innovation*

### RESEARCH LIGHTNING TALKS

3:10-5:00pm, Monday, October 21; University Union 65-220

Are you looking for research collaborators? Come hear brief, fast-paced presentations from faculty representing disciplines across campus, with a networking session afterwards.

Possible collaborations  
from all over campus!

Nibbles and sips will be served!

## *Assistance with Big Ideas*

### RESEARCH RESOURCE FAIR

2:00-5:00pm, Tuesday, October 22; Fisher Science 33-285

Find out about programs that support student and faculty research ... explore internal and external funding opportunities ... chat with your grants and sponsored programs analysts ... get the scoop on research compliance topics such as export control and human and animal subjects ... learn about protecting your intellectual property.

**WIN AN IPAD!**

Plus other prizes!!

Snacks and refreshments  
available!

Find out how  
we can help you!

## *Obtain the Support You Need*

### GRANTS 2.0 WORKSHOP

9:10-11:00am, Wednesday, October 23; University Union 65-220

Are you interested in obtaining funding for research, but aren't quite sure how to get started? Have you submitted a proposal and had it rejected? Representatives from Research and Economic Development and Hanover Research will provide information on Cal Poly's grant administration, types of funders and funding, RFP analysis, concept development, building relationships with program officers, proposal writing, and detailed tips on developing the "DNA" of a proposal.

Learn from  
the experts!

Enjoy a  
morning snack!
