

*Swanton-Pacific
Historical Railway Society*

January 28, 1992

Dear Fellow Train Enthusiast,

The Swanton Pacific Historical Railroad Society is off and running! Our first general meeting at Swanton in January was a huge success! We had people from all areas of train interest attending. It was great to see so much enthusiasm on a cool morning.

The day started out with introductions, followed by an enjoyable ride on the train. Before lunch we broke into separate groups for a few hours of work and instructions on the various phases of the railroad. At mid-day we had an informal business meeting down at the College Station. Thanks to Bill Hoey, the minutes from that meeting are enclosed. Notice that our next meeting will be at Swanton on **Saturday, February 8, 1992**. We will start around 9:00 a.m.

Also enclosed are some ideas that came up during the business meeting that you might want to look at. Please review this list and add any items that you might think important. At our meeting we will prioritize the list, so if you would do that yourself ahead of time, it would help.

Keep in mind the March 14-15, meeting will be an overnighiter. We have the Red House reserved for Saturday night. Space is limited to 19, so please call ahead if you plan on staying. An area also is available for tents and campers (sorry no hook ups)

We hope to see you Saturday, February 8, at 9:00 a.m. If you cannot attend at this time and you still would like your input to be heard please don't hesitate to call:
