- Documenting and reporting quality to Sales and Operations in a clear concise manner
- Work regularly with warehouse and Sales staff to coordinate trucks
- Ensure compliance with the SOPs for handling product
- Work regularly with Sales to learn how to more efficiently handle their various customers' specific needs
- Ensure product moves through warehouse in an efficient manner
- Entry of Estimates and Monitoring of Product Inventory

Qualifications:

- Some College Preferred
- Computer Skills Required
- Attention to Detail
- A Readiness to learn Required
- Strong verbal/written communication skills
- Warehouse or Produce Experience a plus
- Strong Team Player
- Bilingual – English and Spanish Strongly Preferred
- Acceptable Driving Record

Company Description

Eclipse Berry Farms, LLC is a fully integrated Strawberry Grower/Shipper, with year-round production on over two thousand acres in California, two thousand acres in Central Mexico, and a program out of Florida with over a million packages. We pack under the “Cal Fruit” label which has been in production since 1963. Eclipse Berry Farms is a sales driven company that has a high commitment to customer service and is the one of the largest suppliers of fresh strawberries in the industry. We have enjoyed exceptional growth over the last 8 years and are looking to add some key personnel to our team, to allow us to continue this growth. Please join us and help us cultivate today’s success for a strong future.
