SCIENCE, TECHNOLOGY AND SOCIETY

WEEKLY NEWS 1/13

NOTE FROM DR. RYALLS

I hope your first week of classes went smoothly! As you may remember, I will be the interim Department Chair for the rest of the year while Dr. Kirby takes a well deserved sabbatical. While I'll miss seeing many of your faces in my classroom, I hope you'll still take the time to swing by the ISLA Office and say "hi."

As a reminder, this Wednesday (1/14) is the last day to add, drop, or swap classes via Student Center with a permission number (7:59 p.m.).

We've got a lot to look forward to this quarter, including the Social Justice Film Festival and the Chelsey Milbourne Memorial Talk, so be sure to keep your eye on our weekly newsletter for further information. If you have any news or events that you would like to share with your fellow IS majors then please let us know at is@calpoly.edu.

My office hours this quarter will be Monday 2PM-4PM and Thursday 12PM-2PM. During these times, we can meet in my office (52-D3) or via Zoom. Please be sure to schedule an appointment: <https://calendly.com/eryalls/dr-ryalls-s-office-hours>. I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time.

👋 MEET KEELY - YOUR ISLA/STS STUDENT ASSISTANT!

Hi everyone! I'm Keely, a fourth year ISLA major/STS minor. I am also the ISLA student assistant!

I create these newsletters, run our ISLA & STS social media, and support events throughout the quarter. I'm also here as a resource for you — whether you have questions about your STS minor, need help navigating course selection, or want to get more involved in the STS community.

✉ My contact information: kfrobert@calpoly.edu

I'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus.

CAMPUS HEALTH
& WELLBEING

Cal Poly's Alcohol and Other Drug (AOD) Prevention team is partnering with ISLA to support student safety and wellness. With fentanyl-related overdoses on the rise nationally and locally, it's more important than ever to know how to recognize an overdose and respond effectively.

Join the AOD for a brief, interactive training covering:

- How to identify an opioid overdose
- How to safely administer Narcan (Naloxone)
- How to access free Narcan + Overdose Prevention Kits

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions: Tuesdays, 3–5 PM and Thursdays, 3:30–5:30 PM on the Health Lawn.

Want us to come to your space for a distribution or presentation? We're happy to schedule a time that works for you!
