## WEEKLY NEWS 1/6

### NOTE FROM DR. RYALLS

Welcome back! I hope you had a wonderful winter break! As you may remember, I will be the interim Department Chair for the rest of the year while Dr. Kirby takes a well deserved sabbatical. While I'll miss seeing many of your faces in my classroom, I hope you'll still take the time to swing by the ISLA Office and say "hi."

This quarter promises to be an interesting one as there are plenty of opportunities arising that will be of interest to IS majors. The weekly ISLA newsletter will keep you up to date on information that is important for our majors. For those recently enrolled into the IS major or on an ICMA, the newsletter is a place to share news and to let ISLA students know about internal/external events, research opportunities, and career services' programs relevant to them. If you have any news or events that you would like to share with your fellow IS majors then please let us know at [is@calpoly.edu](mailto:is@calpoly.edu).

My office hours this quarter will be Monday 2PM-4PM and Thursday 12PM-2PM. During these times, we can meet in my office (52-D3) or via Zoom. Please be sure to schedule an appointment: <https://calendly.com/eryalls/dr-ryalls-s-office-hours>. I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time.

Opioid Overdose Prevention & Free Narcan Kits

Cal Poly's Alcohol and Other Drug (AOD) Prevention team is partnering with ISLA to support student safety and wellness. With fentanyl-related overdoses on the rise nationally and locally, it's more important than ever to know how to recognize an overdose and respond effectively.

Join the AOD for a brief, interactive training covering:

- How to identify an opioid overdose
- How to safely administer Narcan (Naloxone)
- How to access free Narcan + Overdose Prevention Kits

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions:
