SCIENCE, TECHNOLOGY AND SOCIETY

WEEKLY NEWS 11/18

NOTE FROM DR. KIRBY

I mentioned a few weeks ago that we are fortunate this year to be hiring a new faculty member to teach courses in the area Ethics, Law & Social Justice including courses relevant for STS. This is an amazing opportunity for us to expand STS's areas of expertise. This is also a great opportunity for our students to help us decide which candidate to hire. STS students will have the opportunity to interact with each candidate at their public research talks, classroom presentations, and lunches.

The first of these research talks will be taking place this Tuesday:

Dr. Jordan Grasso, "Reimagining a Relational Safety: Lessons Learned from Lesbian Bars and Queer Nightlife," Tuesday, 11/18 at 1:15PM in 52-E47

Please join us for this talk. You can ask questions of the candidate and provide us feedback.

If you have any news or events that you would like to share with your fellow IS majors then please let us know at is@calpoly.edu.

My office hours this quarter are Tu 1-3PM and Th 1-3PM. You can drop by my office (52-D4) at these times or you can contact me via Zoom using this link: 6247671135. As always, I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time.

👋 MEET KEELY - YOUR ISLA/STS STUDENT ASSISTANT!

Hi everyone! I'm Keely, a fourth year ISLA major/STS minor. I am also the ISLA student assistant!

I create these newsletters, run our ISLA & STS social media, and support events throughout the quarter. I'm also here as a resource for you — whether you have questions about your STS minor, need help navigating course selection, or want to get more involved in the STS community.

✉ My contact information: kfrobert@calpoly.edu

I'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus.

Opioid Overdose Prevention & Free Narcan Kits

Cal Poly's Alcohol and Other Drug (AOD) Prevention team is partnering with ISLA to support student safety and wellness. With fentanyl-related overdoses on the rise nationally and locally, it's more important than ever to know how to recognize an overdose and respond effectively.

Join the AOD for a brief, interactive training covering:

- How to identify an opioid overdose
- How to safely administer Narcan (Naloxone)
- How to access free Narcan + Overdose Prevention Kits

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions:

Tuesdays, 3–5 PM and Thursdays, 3:30–5:30 PM on the Health Lawn.

Want us to come to your space for a distribution or presentation? We're happy to schedule a time that works for you!

OPPORTUNITIES

**2026 BEACoN UNDERGRADUATE
RESEARCH MENTORING PROGRAM**

STUDENT APPLICATIONS OPEN!

**DUE BY 11:59 PM PT
WED. NOV. 19, 2025**

WHAT IS BEACoN?

Centering underrepresented students, but open to all undergraduates, BEACoN seeks to make research accessible, providing students with funded research opportunities working one-on-one with faculty mentors. In addition to gaining research experience, BEACoN students gain access to various professional development workshops and community events, fostering a sense of belonging.

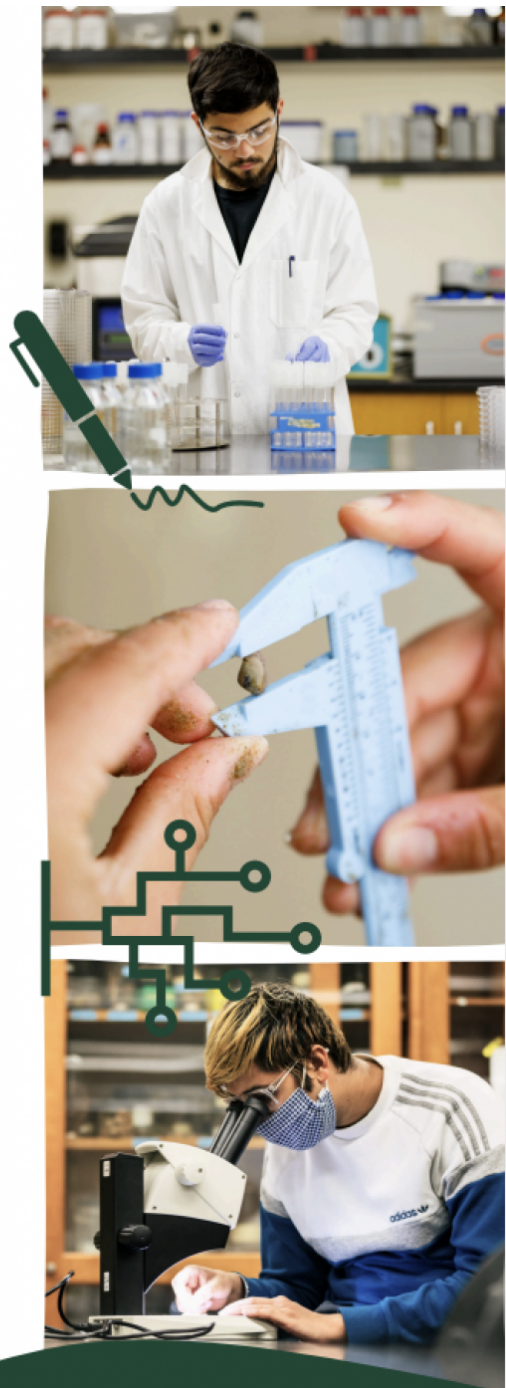

Students who are matched for this initiative will receive \$2,000 in both Winter/Spring quarters (\$4,000 total) distributed via financial aid.

OFFICE OF UNIVERSITY
DIVERSITY & INCLUSION

Apply to Become a BEACoN Research Scholar!

The BEACoN Research Mentoring Program—run by the Office of University Diversity & Inclusion—is now accepting applications for its next cohort of BEACoN Scholars (due Wednesday, 11/19 at 11:59 PM PT)! Projects span all six colleges and the Kennedy Library, including several led by faculty in our own department.

BEACoN centers underrepresented students but is open to *all* undergraduates interested in gaining meaningful, funded research experience. Scholars receive:

- Mentorship from Cal Poly faculty
- A \$2,000 stipend each quarter (Winter + Spring; \$4,000 total)
- Professional development workshops and community-building events

Students may apply to up to three projects.

STUDENT RESEARCH POSITION - 360 VIDEO AND VR

Dr. Sandy Shen and Keri Schwab with the **Experience Innovation Lab**, in collaboration with the Center for Expressive Technologies, are seeking **360° VR video filming and editing support** for a project studying attention restoration in natural and VR-nature settings.

We are looking for a **student skilled in creating 360° VR videos** to produce a five-minute immersive video of a natural area on campus. Filming will be done using a **Giroptic 360 Cam**, and the editing can be completed using whichever software the student assistant is most familiar with. If necessary, we can provide a subscription to the preferred editing software for the duration of the project. The position for the student assistant pays \$18 per hour.

Interested students should reach out directly to Drs. Shen and Schwab yeshen@calpoly.edu and keschwab@calpoly.edu

MUSTANG MAKERSPACE

The Cal Poly Machine Shops (College of Engineering) are excited to welcome students to the Mustang Makerspace, located in Bonderson (Building 197), next to Mustang '60. This free, all-major space is your go-to hub for digital fabrication, creativity, and hands-on learning.

Inside you'll find 56 3D printers (Bambu, Prusa, Elegoo, Formlabs, MarkForged), 4 laser cutters, an embroidery machine, an industrial Cricut vinyl cutter, and sewing machines. Whether you're working on a class assignment, a senior project, or just a personal idea, the Makerspace has the tools to help bring your vision to life. No prior experience is needed—our shop techs are here to teach you, answer questions, and support your projects.

 Fall Quarter Hours (Weeks 2–10):

- Monday–Friday: 10:00 a.m. – 7:00 p.m.
- Saturday: 9:00 a.m. – 6:00 p.m.
-

3D printers are open to everyone without training, but you'll need a Red Tag Certification for lasers and some other equipment. Learn more and sign up for trainings at machineshops.calpoly.edu.

 Questions? Email calpolyshoptechs@gmail.com |  Aero Hangar: (805) 756-2266 | Mustang '60: (805) 756-5634

Come explore, create, and make your ideas a reality—see you in the Makerspace!
