SCIENCE, TECHNOLOGY AND SOCIETY

WEEKLY NEWS 11/5

NOTE FROM DR. KIRBY

Enrollment for the Winter term is upon us. If you have any questions about classes for your STS minor then please contact me and we can discuss them.

My office hours this quarter will be Tu 1-3PM and Th 1-3PM. You can drop by my office (note my new office: 52-D4) at these times or you can contact me via Zoom using this link: 6247671135. As always, I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time.

MEET KEELY - YOUR ISLA/STS STUDENT ASSISTANT!

Hi everyone! I'm Keely, a fourth year ISLA major/STS minor. I am also the ISLA student assistant!

I create these newsletters, run our ISLA & STS social media, and support events throughout the

quarter. I'm also here as a resource for you — whether you have questions about your STS minor, need help navigating course selection, or want to get more involved in the STS community.

✉ My contact information: kfrobert@calpoly.edu

I'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus.

STUDENT SUCCESSES

A CAL POLY MUSTANG FILM SOCIETY PRODUCTION

STUDENT SPOTLIGHT: NATALIE VENABLE AT THE PORTLAND FILM FESTIVAL

Big congratulations to Natalie Venable, director of the short film *Sticky*, which was featured at the Portland Film Festival this fall! 🌟

Sticky was produced by the Mustang Film Society, showcasing the creativity and talent of Cal Poly students in film and storytelling. Natalie represented the film at the festival — way to go!

 Check out photos from the event and the official *Sticky* poster above!

STS - RELATED CLUBS

The graphic is a green rectangular poster for the Mustang Film Society. On the left is a cartoon illustration of a brown and white mustang horse running. To the right of the horse, the words "MUSTANG" and "FILM SOCIETY" are written in large, bold, dark blue capital letters. To the right of the text is a yellow film clapperboard on a black stand. Below the horse is a blue Instagram icon followed by the text "Instagram @mustangfilmsociety". Below that is a white envelope icon followed by the text "For more info contact eryalls@calpoly.edu". On the right side of the poster, there is a rounded rectangle containing two yellow stars. The first star is followed by the text "CONNECT WITH PEERS INTERESTED IN FILM!". The second star is followed by the text "BUILD IMPORTANT INDUSTRY SKILLS!".

MUSTANG FILM SOCIETY

Mustang Film Society is a new club on campus aimed at fostering a community around film and providing students interested in film with opportunities to connect to others in the film industry and explore their interests! This may be of interest to any MAST minor students.

If interested, please contact Dr. Emily Ryalls at eryalls@calpoly.edu or follow the Instagram

OPPORTUNITIES

STUDENT RESEARCH POSITION - 360 VIDEO AND VR

Dr. Sandy Shen and Keri Schwab with the **Experience Innovation Lab**, in collaboration with the Center for Expressive Technologies, are seeking **360° VR video filming and editing support** for a project studying attention restoration in natural and VR-nature settings.

We are looking for a **student skilled in creating 360° VR videos** to produce a five-minute immersive video of a natural area on campus. Filming will be done using a **Giroptic 360 Cam**, and the editing can be completed using whichever software the student assistant is most familiar with. If necessary, we can provide a subscription to the preferred editing software for the duration of the project. The position for the student assistant pays \$18 per hour.

Interested students should reach out directly to Drs. Shen and Schwab yeshen@calpoly.edu and keschwab@calpoly.edu

MUSTANG MAKERSPACE

The Cal Poly Machine Shops (College of Engineering) are excited to welcome students to the Mustang Makerspace, located in Bonderson (Building 197), next to Mustang '60. This free, all-major space is your go-to hub for digital fabrication, creativity, and hands-on learning.

Inside you'll find 56 3D printers (Bambu, Prusa, Elegoo, Formlabs, MarkForged), 4 laser cutters, an embroidery machine, an industrial Cricut vinyl cutter, and sewing machines. Whether you're working on a class assignment, a senior project, or just a personal idea, the Makerspace has the tools to help bring your vision to life. No prior experience is needed—our shop techs are here to teach you, answer questions, and support your projects.

 Fall Quarter Hours (Weeks 2–10):

- Monday–Friday: 10:00 a.m. – 7:00 p.m.
- Saturday: 9:00 a.m. – 6:00 p.m.
-

3D printers are open to everyone without training, but you'll need a Red Tag Certification for lasers and some other equipment. Learn more and sign up for trainings at machineshops.calpoly.edu.

 Questions? Email calpolyshoptechs@gmail.com |  Aero Hangar: (805) 756-2266 | Mustang '60: (805) 756-5634

Come explore, create, and make your ideas a reality—see you in the Makerspace!
