SCIENCE, TECHNOLOGY AND SOCIETY

WEEKLY NEWS 8/24

NOTE FROM DR. KIRBY

Welcome back to Cal Poly for a new academic year! This year promises to be an interesting one given our move to semesters. There will also be plenty of opportunities arising that will be of interest to STS minors. The weekly STS newsletter will keep you up to date on information that is important for our minors. For those recently enrolled into the STS minor, the newsletter is a place to share news and to let STS students know about internal/external events, research opportunities, and career services' programs relevant to them. If you have any news or events that you would like to share with your fellow IS majors then please let us know at is@calpoly.edu. Please let me know if there is anything I could help you with during the quarter.

My office hours this quarter will be Tu 1-3PM and Wed 1-3PM. You can drop by my office (note my new office: 52-D4) at these times or you can contact me via Zoom using this link: 6247671135. As always, I am also happy to set up other meeting times if you are not able to make these office hours. Just send me an email and we can arrange a day/time.

**MEET AKSHARA - YOUR ISLA STUDENT
ASSISTANT!**

Hello! I'm Akshara, a third year ISLA major with a concentration in Ethics, Law and Social Justice!

We create these newsletters, run our ISLA social media, and support events throughout the quarter. We are also here as a resource for you — whether you have questions about the ISLA program, need help navigating course selection or declaring a concentration/minor, or want to get more involved in the ISLA community.

 Our contact information:

Akshara: amadabus@calpoly.edu

We'd love to hear from you — don't hesitate to reach out, connect, or say hi around campus!

Opioid Overdose Prevention & Free Narcan Kits

Cal Poly's Alcohol and Other Drug (AOD) Prevention team is partnering with ISLA to support student safety and wellness. With fentanyl-related overdoses on the rise nationally and locally, it's more important than ever to know how to recognize an overdose and respond effectively.

Join the AOD for a brief, interactive training covering:

- How to identify an opioid overdose
- How to safely administer Narcan (Naloxone)
- How to access free Narcan + Overdose Prevention Kits

Students can pick up supplies at Building 27 (Health Center) or during weekly distributions:

Tuesdays, 3–5 PM and **Thursdays, 3:30–5:30 PM** on the Health Lawn.

Want us to come to your space for a distribution or presentation? We're happy to schedule a time that works for you!
